**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow freedom of choice and dont enforce monopolies. Consumers should have options of providers and be able to seek best service and not be forced to only have 2 giant providers. Please support sonic in being able to continue providing services.

Broadband is critical to my work and schooling and the services Comcast and at&t provide are overpriced and horrible.
